Director's Corner

We had a busy month in June with this wild school year wrapping up and kicking off Summer Camp 2021. Thank you for hanging in here with us—we would not have wanted it any other way. Thanks for making our 2nd Donuts with Dad awesome too!

- Thank you, Ms. Carman

A few quick friendly reminders to everyone —

Drop off/Pick Up — Please, **no cell phone use** during this time. We need your full attention—we need to ensure you're aware when your child has been released to you directly, or if we need to speak to you, you're easily available, We wanted to also mention that **ALL** children should be in center and ready to start their days by **no later than 9 AM**— unless absolutely necessary (i.e.: Doctor/Other appts, etc.) Anything after 9 AM interrupts the classroom day/learning time, requires changes meal counts, etc. If your child will be later than 9 or absent, we ask you to call or email before 9 to either the office or the classroom to let us know.

MASKS and COVID— The CDC Board decided on Monday, June 28th that as of now, parents may choose to not wear a mask in the church lobby at pick-up/drop off. However, at this time we will continue to follow COVID protocols initially put into place until the end of the Summer session. This means we will still do temperature checks, hand washing and sanitizing for children before entry and no visitors /parents will be allowed past the lobby. The Board felt it was in the best interest of the children. At the end of the Summer Session the Board Policy will be reviewed and they will decide upon any revisions or modifications. We also kindly ask that when you are here that you enter the building/wait inside the Narthex/Lobby for your child to be delivered. We need to release the children to you or your proxy directly and are not permitted to "send children out" unattended.

Parent Partnership Committee

LOOKING FOR VOLUNTEERS/MEMBERS - Our Parent Partnership Committee (also known as the PPC) wants to engage our families in new events and opportunities to get to know one another. Members of the PPC will help plan fun events to get everyone more involved around the center! We welcome you to participate and be involved as you are able. If you are interested in joining this partnership, please come see Ms. Carman - Meetings Resume in September

ALL ARE WELCOME!

Top Talent Teachers

The CDC prides itself on having a team of teachers composed of the top local talent. Thank you again, teachers for your time, dedication and patience. We are all so very grateful for you and what you continue to do for the children.

Our own Ms. Millie was nominated and is being recognized for her continued hard work, organizational skills and dedication to her kiddos/the classroom, Ms. Millie is terrific with children and has helped out in several classrooms. Ms. Millie is currently helping in our Summer Camp. Your team and your classroom appreciates you, your contributions to our are invaluable and we celebrate you and your efforts, Ms. Millie!

Congratulations again! We're all very proud of you, our very own July CDC Teacher of the

Month!! ***BE SURE TO ASK FOR THE NOMINATION FORM, OR EMAIL US A MEMBER OF OUR TEAM, FOR NEXT MONTH!***

CURRICULUM CORNER

The children will be exploring the following units throughout the month of July:

Infants— Animals

Toddlers & Twos— Splish, Splash, Water Fun!

Preschool & Pre-K— Ants & Insects

Summer Camp Themes— July's Themes Vary by Week

Week 3: Sports Fans

Week 5: Culinary Creations

Week 4: Space Explorations

Week 6: Pirate Adventures

** Each classroom will have their weekly lesson plan available for you, should you wish to see it. This is to help families to be in the know, and be conversation starters at home, as well as be a means of reinforcing what we are working on here! Be sure to check out the suggested Family Curriculum Enhancements activities too for more home to school connections**

ADDITIONAL REMINDERS

Extra clothing- If you have not already, Please be sure to bring a seasonal change of clothing for the summer time to be left in the classroom.

Footwear- For safety while playing outdoors we ask you please send your children in close toed and heeled shoes.

Code Red days: Due to the extreme heat and/or poor air quality all children will remain indoors to participate in gross motor activities. When temperatures are above 90 degrees, all outdoor activities will be limited to 10 minutes. Please be sure to bring sunscreen for your child as we will apply it each day prior to your child's outside time. Medication Authorization forms are required for sunscreen to be applied. These forms are available in the office.

Plastic bags- we are not able to accept items in plastic grocery bags as they are a danger to the children! We kindly ask that you **DO NOT** bring them to the center! Reusable fabric shopping bags are ideal.

Summer Water

Days began the week of June 22nd! With each class having their own day to play in the water. We have water toys as well as a sprinkler that our children will be able to explore! Check out the Save the Date for classroom schedules

Please bring in (labeled with First & Last name):

- Water Shoes
- Bathing suit
- Towel
- Change of clothing & Shoes
- Sunscreen (with the completed Medi-
