Director's Corner

Welcome Back, and welcome to 2022!

It is my most sincere hope that each of you have had a very peaceful and restful Winter Break. I know that I enjoyed spending the extra time with my family and being able to ring in this new year. As we start 2022 off on the right foot, just a few friendly reminders to briefly touch on...

- * Since Winter is now officially upon us and that brings with it the colder weather, we would like to ask that each child keep at least one complete change of weather appropriate clothing at the center.
- * Also, if possible, please bring in a pair of boots or a spare pair of shoes, to be worn at school for outdoor winter walks/play (the classrooms will still be getting outside at least once a day, weather permitting) - our goal is to ensure we remain warm and dry all day.
- * In the next few days we will be working to get the electronic sign in and sign out up and running. We hope this will allow for a seamless transition from the paper/pen sign in sheets we have been using. Please let us know if you have any questions—more to come on this soon!
- * Lastly, if you haven't already, check out the site: mypro-care.com—Your login will be the email you provided to the office. This is the website all families can use to view their statements, make payments (with no additional fees) etc.

For the month of January The CDC would like to recognize our Teacher of the Month nominee, Ms. Abby—

Our entire team, the children and the parents truly appreciate you for all you do. Your sweet demeanor, patience and can do attitude is the perfect fit for Yellow 2! We are proud of you and wish to celebrate you and your contributions to our center. Thank you, again, Ms.

Abby!

Congratulations!

If you have a suggestion or a nomination, let us know ...

Teacher of the Month

refer a friend

Help us spread the word about The Child Development Center - Do you have a friend, neighbor, or colleague looking for care? For every family you refer to the center, a one time credit of 50% of weekly tuition will be applied after the new family accepts the spot and is in good financial standing for 4 full weeks. The new family must complete a referral form at time of registration— We have a waitlist in a number of classrooms, best to get on the list now!

- Please See Carman or Kim

Center Closing Information

The decision to close, delay opening or dismiss the CDC program early the will be made by our administration. Once a decision has been made, it will be communicated to families via several communication channels (**text, & email** will be our primary means of reaching out) When we dismiss early we will also call families to ensure you have been notified. There will also be

notifications posted on the CDC **Facebook Page**,

(please visit and like our page at [Facebook.com/1stchurchcdc](https://www.facebook.com/1stchurchcdc))

TV station: NBC WGAL, Channel 8

Also, keep in mind, if the outdoor temperature is above **25 degrees** (including any windchill factor) the children will be going outside to play or take daily walks for fresh air. Please make sure your child has appropriate clothing in their classroom. Winter coat, boots, hat, scarves, gloves/ mittens, etc...
