ADDITIONAL PERSONS NEEDING PRAYER:

Anita Jacobs – Cancer diagnosis, prayers for a path forward.

Amie Dietrich – Cancer diagnosis and mastectomy, prayers for successful procedure and healing.

Joann Klinedinst – Prayers for some health challenges.

Edna (Patricia Carey’s mom) – Edna has been hospitalized in Waynesboro due to a mini stroke and they found she also has COVID. Prayers for her recovery and healing.

Beth and Denny Shearer (from Deb Klinedinst) – Continued prayers as Denny continues his cancer treatments, each one harder than the last one and recovery time is longer with more side effects. He is extremely exhausted most of the time. In spite of it all the Dr. is still pleased with his progress. Beth expressed her appreciation for the prayers and cards they’ve received and ask that we continue to remember them in our prayers.

Judy Keeney (from Deb Klinedinst) – Had back surgery 6/22 and had complications and was just recently discharged. Her husband, Leroy, was diagnosed with double pneumonia and now has COVID and not doing well. Prayers are requested for healing, comfort and peace for both of them.

Joanne Smith (friend of Mary Esther Anderson) – struggling with depression.

Kathy Purcell (the daughter of a very close friend of Elizabeth Eisenhart) – Had brain surgery and it went very well. When she is a little stronger she will begin chemo therapy. Thanks to everybody for their prayers and request for continued prayers for full recovery and also peace and comfort for her family.
