A NOTE FROM YOUR ACTING DIRECTOR

I want to thank everyone for their patience as we transition leadership. I also want to thank everyone for the kind words and support. Many families have reached out with positive words of encouragement. Ms. Marj is filling many shoes right now as she covers ratio, van runs, and office work. I greatly appreciate her! These next few months will be very busy and exciting. Located on the parent cart is a suggestion box. Please feel free to communicate that way if you would like. I'm always looking for ways to improve.

CDC SUNDAY

October 23, 10:30 AM

You are all warmly invited to join us for our church's worships service in which we celebrate the Child Development Center, its teachers and leaders, and all of its children. Preschool and PreK children will be singing for us within the service as well! Please plan to join us for this meaningful time together, the church's way of commending and honoring all who serve and attend our CDC.

Greetings CDC families! I pray that you are all doing well this lovely fall season, and I am grateful that we are able to provide a safe place for your children to thrive and grow here in our center. On behalf of the CDC Board, be assured that the recent transition in leadership is one in which we have confidence and also remains in process.

We are pleased that Kim is now in the role of Acting Director and expect her to serve us very well. Thank you all for understanding and for trusting us to operate with the highest standards of care, respect, and integrity.

Trick or Trunk - Wednesday October 26, 5:30 - 7:00 PM

One of our annual community events is coming soon, in which we decorate our vehicles' trunks for Halloween and give candy to children who come in costume. It's a special "bonus trick-or-treating" event the week before Halloween that is always a great time. Expect treats for kids as well as a light meal for all in our gym. Come and join us! No need to register unless you wish to decorate your own trunk. We look forward to seeing you then.
