## September 2022

### Program Director's Corner

*happy fall* Y'ALL

Incredible as it may seem, actual fall is just around the corner. Teachers and children alike are settling nicely into new classrooms and new routines. A HUGE thank you to our families for your continued patience with us as we continue figuring out communications/navigation of the ProCare app. Please know we're trying! Hoping you love it as much as we do There are plenty of changes around us - some of you will miss the warm weather and summer sunshine, our team is relishing seeing the leaves beginning to change, and the crisp morning air—it's perfect for walks. More changes to announce—again, families no longer must call to pickup. Just come on inside! We ask you limit your time at the classroom to no more than 2 minutes. The Board will no longer offer COVID days, and will be updating/reviewing the COVID policies for all. We once again welcome ALL to our 22-23 Fall Session... we're so glad you're here! If you have any questions or need anything from us don't hesitate to let us know **We're excited to see what sorts of fun September will bring along.** **Be well, and Happy September...**

**-Ms. Carman & Ms. Kim**

# Welcome to The CDC

## September

### The Leaves of the Trees

(to the tune of "The Wheels on the Bus")

The leaves of the trees  
turn orange and red  
orange and red, or-  
ange and red  
The leaves of the trees  
turn orange and red  
All through the town.

The leaves of the trees  
come tumbling down  
tumbling down,  
tumbling down  
The leaves of the trees  
come tumbling down  
All through the town.

The leaves on the  
ground go swish,  
swish, swish  
Swish, swish, swish,  
Swish, swish, swish,  
The leaves on the  
ground go swish,  
swish, swish  
All through the town.

For our newest additions ( both kiddos & team members) to The Child Development Center Family—we welcome you, and are so happy you're here!
