**ADDITIONAL PERSONS NEEDING PRAYER:**

**Nancy Jones – Had surgery yesterday, hopefully the last one! It has been 12 weeks from her initial surgery. By now she anticipated walking in a boot and is anxious about the possibility of another surgery if this one doesn't accomplish what the doctor feels is progress.**

**Diane Gible and family – Dealing with some challenging behavior and mental health issues with Heather's children who are in their care. Prayers for stability, perseverance, and adequate treatment of concerns.**

Rebecca McCracken – Now at home, prayers for continued healing and strength.

Kim Witkovsky – Prayers for recovery from hip surgery.

John Minnich – Diagnosed with bone cancer, receiving hospice care at home.

Elaine Myers – At Rest Haven Rehab following a fall & brain surgery, stroke, and heart attack, with significant dementia. Now under hospice care.

Dave Kurowski (Greg & Deb Klinedinst's neighbor) – He was to have a heart procedure but learned that he needed more extensive surgery than originally planned. We are asking for guidance of the surgeons and medical professionals treating him, for healing and for peace and comfort for both Dave, his wife Buffy and his family.

Judy Waltersdorff (sister of Beth Anne Bahn) – Recovery from hip surgery.

Jacob (Grandson of Greg & Deb Klinedinst) – Jacob and his parents, Jen and Bill that they are led in a helpful direction when receiving results from the specialists they've engaged to address his schooling and mental/physical health.

Edna (Patricia Carey's mom) – In hospice care. Continued prayers for comfort.

**SYMPATHY AND CONDOLENCES:**

**For Becky Wenger and her family on the passing of her mother, Vivian Warner, on January 9. She was 102 years old (born Jan 20, 1920) and she died peacefully after a steady decline the past several weeks. Please keep Becky and her family in your prayers.**
