Thank you for holding her in prayer this week.

Fred Rosenzweig – Health concerns, prayers appreciated.

Clarence Sauder – Awaiting a liver transplant.

Edna (Patricia Carey's mom) – In hospice care and her kidneys are shutting down. Continued prayers for comfort. Also prayers for Patricia's sister, Lois Stanton, who is their mother's primary caregiver.

Matthew and his family (Kim & Dave Witkovsky's Son and family) – Our son, Matthew, has contracted a bad case of covid (he is at extra risk because of an asthma condition), our granddaughter, Quinn (age 3 - had open heart surgery at 1 month so extra susceptible to illness), has a fever of 100 degrees but has not tested positive for Covid. Our daughter-in-law, Megan, and our grandson, Parker (age 6), have both tested negative so far. We would appreciate prayers for healing and health for all.

Jennifer Martin (from Diane Gibble) – Has a diagnosis with a form of vertigo. Still cannot be alone and has to use a walker.

Marjorie Wissler (from Peg Eck) – Placed in hospice care due to long battle with cancer. Prayers for comfort for Marjorie and her family.

Silas (from Deb & Greg Klinedinst) – Silas is the infant Grandson of neighbors Lynn and Dan Vanhouwe. They took his name off the heart transplant list, plan to release him from the hospital by the end of this month.
