ADDITIONAL PERSONS NEEDING PRAYER:

Rebecca Wolf – Has been struggling with ongoing respiratory challenges and requests prayer for treatment and healing.

Melinda Carlson – She is doing well after shoulder surgery last week. Continued prayers for healing and comfort.

Neil (Brother of Greg Klinedinst) – Will need surgery on his aorta once they clear up an infection. We're asking prayers for healing, and that those treating Neil will be able to identify the source of the infection and treat it.

Denny & Beth Shearer – Denny had been readmitted to the hospital in Roanoke. They found out a few weeks ago that cancer has returned to his liver. Then early Monday morning he was experiencing terrible pain caused by Pancreatitis, cholecystitis, elevated liver enzymes, a perforated stomach ulcer and inflamed gallbladder. He is to have surgery later this week. Prayer are requested for successful surgery, comfort and peace.

Ava Klinedinst (Granddaughter of Deb & Greg Klinedinst) – Ava, age 15, had a second surgery on her meniscus the end of November. She was able to walk without crutches this past week. Prayers have been answered! Thank you!

Lena Klinedinst (Granddaughter of Deb & Greg Klinedinst) – Thanks to all for your prayers for Lena, age 10, who had surgery on her stomach, esophagus and removal of a hiatal hernia. The tough part was not being able to eat anything for 6 weeks. Her doctor at Johns Hopkins gave her the all clear to eat solid foods carefully and return to activities. She did a cartwheel in the hallway and can't wait to play lacrosse.

Bernadette Snook (Dan Snook's wife) – Ongoing chemotherapy. Continued prayers for treatment.

Frank Coldsmith (from Patricia Carey) – Came home from Hershey Medical where he had a triple bypass. He is still waiting for a kidney as he continues dialysis.
