ADDITIONAL PERSONS NEEDING PRAYER:

Helen Stoner – Home and recovering after a hospitalization last week. Prayers are requested for her recovery.

Gail Rutland – Completed chemotherapy for bladder cancer, now cancer free! Will undergo surgery in late April.

Jess Dietrich – Hospitalized last week, now home. Prayers for stability are appreciated.

From Beth Anne Bahn:

Curt Bahn – my father-in-law **is currently home and is doing great** after pneumonia and issues with his heart.

Dennis Warner – our nephew-in-law was diagnosed with breast cancer and had surgery.

His lymph nodes were negative!

Family of Gary Miller – Gary unexpectedly passed away. He was the brother of one of our brothers-in-law. He was only in his early-to-mid 60's.

Cindy Schaner – mother of our son-in-law **is now home and doing well** after complications of diabetes, an infection and GI bleed.

Randy Leaman (son of Frank Leaman and brother of Diane Gibble) – Is in stage 4 liver failure.

He is able to get up and around some. If his liver starts to show improvement at his next Dr. appointment in April they will consider him for a liver transplant. That is our prayer at this time. Without it he will not survive.

Debbie (friend of Julie Poland) – Just completed her second round of chemo for stage four metastatic breast cancer. The side effects are worse than the first round. Continued prayers for healing, and for her two young adult sons.

Bob Crist (Son of Jay Crist) – Continuing radiation treatment following prostate cancer surgery. Prayers requested for healing and successful treatment.

Rodd Battle (from Rebecca Soyke) – Has been incarcerated and having a difficult time right now.
