ADDITIONAL PERSONS NEEDING PRAYER:

Melanie Miller – Prayers for healing and safety related to medical and vision problems.

CDC Teacher – We ask for prayers for the CDC Teacher whose house caught fire with significant damage. She and her children are okay and staying with her mother. The CDC Ministry Team has given a monetary gift to help her cover essentials that they lost in the fire. She also has family that are helping her with clean up. We ask for prayers of thanks that they are okay and have a caring community providing support to them, for her peace and comfort, and that the landlord be more responsive in his communication to her so that she can move forward and bring this situation to resolution with the insurance company.

Ferdian Trinidad – In a car accident last weekend, hospitalized, now home. Prayers for recovery and a way toward another vehicle.

Randy Leaman (son of Frank Leaman and brother of Diane Gibble) – Is in stage 4 liver failure. He is able to get up and around some. If his liver starts to show improvement at his next Dr. appointment in April they will consider him for a liver transplant. That is our prayer at this time. Without it he will not survive.

Debbie (friend of Julie Poland) – Completed her second round of chemo for stage four metastatic breast cancer. The side effects are worse than the first round. Continued prayers for healing, and for her two young adult sons.

Bob Crist (Son of Jay Crist) – Continuing radiation treatment following prostate cancer surgery. Prayers requested for healing and successful treatment.

Rodd Battle (from Rebecca Soyke) – Has been incarcerated and having a difficult time right now.

SYMPATHY AND CONDOLENCES:
