She will see a doctor at Johns Hopkins today and she is scheduled to start immunotherapy next week. It is also a challenge to care for Frank at this time.

Bernadette Snook – Prayers for new medical concerns.

Lisa Klinedinst (from Deb Klinedinst) – Recovering from foot surgery. Prayers for healing.

Carrie Christine (from Patricia Carey) – Prayers for healing, has an aggressive form of breast cancer.

Sarah Curfman (from Patricia Carey) – Will be having surgery for tumor on spine in July after she finishes her treatments.

Randy Leaman (son of Frank Leaman and brother of Diane Gible) – Has been deferred status for being put on the liver transplant list. He needs a CT scan follow up in July. Once he completes this he will hopefully be added to the transplant list. A living donor will be the quickest way of helping him.
