UPDATES ON CURRENT PRAYER REQUESTS

The Wolf family – Would like to request prayers for many happenings in their lives right now - Baby Jaxx continues to experience seizures and the ongoing challenges of fostering a special needs child, their long time furry dog friend, Max, crossed over the Rainbow Bridge, Kai is awaiting a CT scan at the end of the month for his circulation/blood clot issues, Rebecca's ongoing health challenges and all the new adventures that accompany ministry training and internships. Please remember them in prayer, with hugs, and with loving support in creative and caring ways.

Bernadette Snook – Continued prayers as a scan has revealed two cancerous nodules on her lungs.

Ryan Sauder (son of Michelle and Ernie)- Had emergency hernia surgery last Monday and was discharged Wed. to his parents' home for a brief recovery and care. He is in pain but is getting along well otherwise. Prayers for healing, comfort and rest.

The Dietrich Family-Prayers for comfort and peace as they said goodbye to their beloved cat, Tigger, this week, due to a severe health condition. It is very sad but they are grateful he is no longer struggling and in pain. Their other 2 cats are also missing their brother and friend.

SYMPATHY & CONDOLENCES

Steve Fitzkee (brother of Gail Rutland) - Passed away this week on September 2 after receiving hospice care for a short time for stage 4 pancreatic cancer. Let us remember Gail and her family as they grieve his loss and remember his life, even in the midst of their continued sorrow in the passing of Robert Fitzkee's (his father). His service was held Thursday, September 10 at 11 am at York First COB with visitation prior and a reception following.
